

1966 CARDINAL

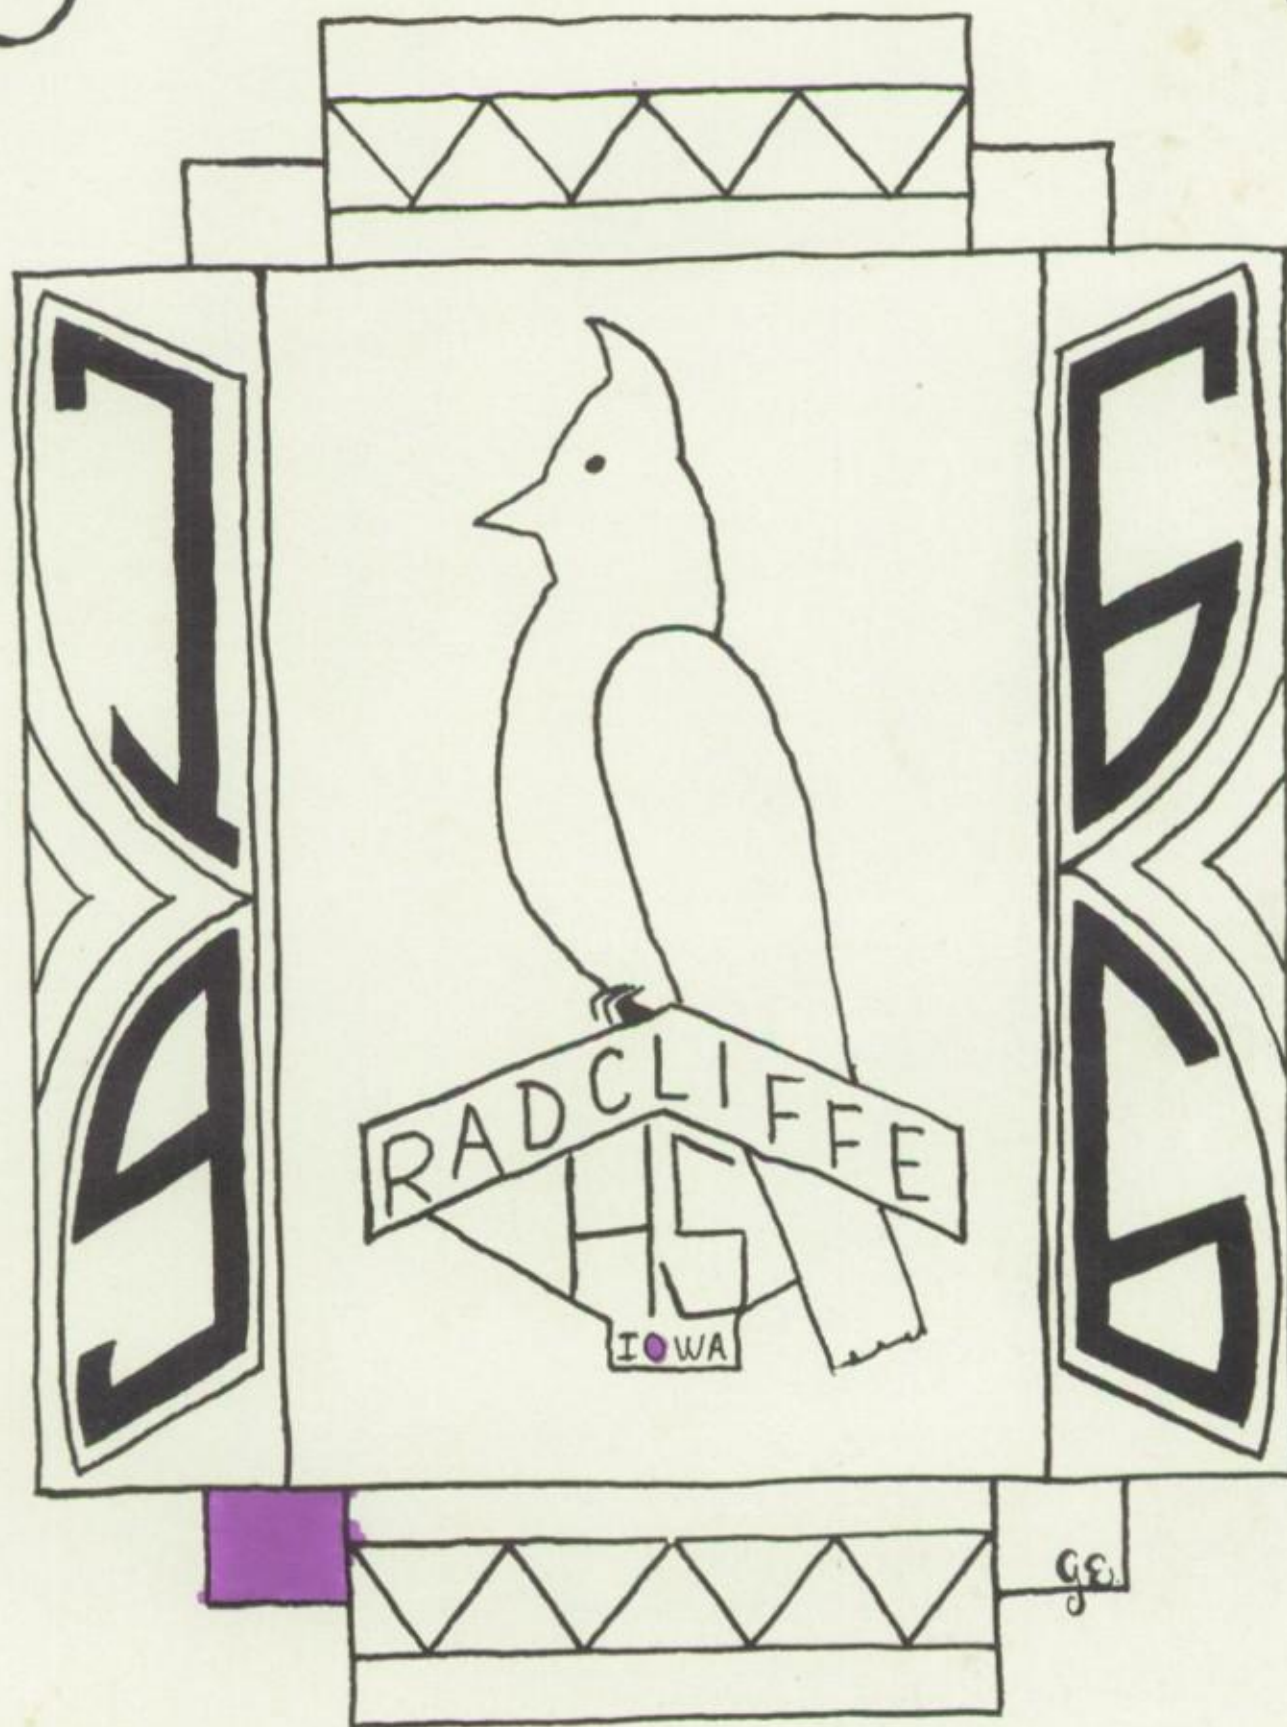

Cardinal

1966

Dedication

The Senior Class is happy to dedicate the 1966 Cardinal to Mrs. Marie Berve, who has faithfully served the students and school personnel as cook for the last twenty years.

Marie was the first cook hired in the Radcliffe School when the hot lunch program was introduced in 1946.

Through the years, Marie has performed her duties well, and shown her interest and loyalty to the Radcliffe School.

It is with a sigh of sadness that we see her leave this service.

A PERFECT COOK
by Linda Knapp

One and twenty years ago
In Radcliffe town they say
T'was the ordinary op'ning
Of an ordinary day.
But then someone remembered
"We've a job that we must do
Today's the day we conjugate
A cook for our new school.

A perfect cook is what we want;
We must not long delay
So hurry find the recipe,
Let's finish her today."
"There isn't any recipe
For very special cooks,"
Said those in charge of looking through
All existing books.

"So now we must, of course, we must
Create this kitchen queen,
And just for fun let's make her love
That comely color green.
Someone get the mixing bowl
And someone get the spoon;
Gather all ingredients
And try to finish soon.

"What comes first? Oh yes, of course
Of patience lots and lots;
Understanding added next
Will make her simply "Tops."
Sprinkle in some friendliness
(In fact, add all you will)
Add some generosity
(Be careful not to spill).

"Give her capability,
Great talent she will need
For fixing food in pleasant ways
The children for to feed.
A love for food we'll stir in next
And then when she is done
We'll frost her with experience
And she'll find her work is fun.

"Following, we blend and beat,
The batter to perfect.
Pour in more ingredients
We're not quite finished yet.
Neatness we must not forget--
She'll ever be well-groomed.
Fair-minded always in all things
To such her life is "doomed."

"Well-rounded shall our lady be
So find the spices fast:
A husband, children (hers and ours),
Fond mem'ries of the past;
A love for music (not too wild).
A chance to read for hours,
Delight in traveling--far and near,
And joy in growing flowers.

"Our lady is a sight indeed
Now toss her in the oven
Then out she comes, all nicely done
To take and dish out lovin'.
We'll frost her fancy, pretty too,
Then sprinkle her real nice
With sparkling sugars made from faith
To slay each human vice."

One and twenty years ago
In Radcliffe town they say
T'was the ordinary op'ning
Of an ordinary day.
But then some folks decided
For their new school they'd be nervy,
They gathered things together--then...
They cooked up Marie Berve.

Gertie Lindebak

Gertie Lindebak will also be missed in
the hot lunch kitchen.

Gertie has served the school for nine
years starting in the fall of 1957.

She, too, has given service and loyalty
to the students, faculty, and staff of the Rad-
cliffe School.

RADCLIFFE ALMA MATER

(Music Composed by Mrs. Benesh)

To Thee our Alma Mater,
We lift our song in praise
Of mem'ries ever cherished,
Those precious High School Days.

Those days of joy and sadness
Our vict'ries and defeats
Our many treasured friendships
We always will remember
All the years we shared with you.

Your loyal sons and daughters
Will every-more be true--
Our banner e'er wave o'er us,
Its Card'nal, Red and White.

Long may it wave above us,
The emblem of our school
Through all the following years
We hail Thee--
Dear Radcliffe High.

Superintendent of Schools

Max H. Mabie

This marks the second year for Mr. Max H. Mabie as Superintendent of the Radcliffe Community Schools. Mr. Mabie came to Radcliffe from Lytton, Iowa, where he was Superintendent of Schools. He received his Masters Degree in Administration from Drake University.

Through the cooperation of Mr. Mabie with the junior high and elementary principals, the Radcliffe School was able to receive a grant from the Federal Government to extend the developmental reading program and a summer course in reading and mathematics. Mr. Mabie and the Board of Education approved the black topping of the road north of the school to the bus barn, additional glass blocking, and the purchasing of the lot south of the school for a patron's parking lot. These buildings and grounds improvement projects make Radcliffe a better school.

Mr. Mabie is interested in all school activities and endeavors to foster a spirit of friendliness, good sportsmanship, and good will.

Mr. Mabie's wife, Beverly is high school librarian. They have three girls, Teresa, a freshman; Caprisa, a seventh grader; and Toni, a preschooler.

Secretary to Superintendent

Donna Bolles

High School Principal

Mr. Arnold Groskreutz, high school principal, has also completed his second year in the Radcliffe Community Schools. He received his M. A. Degree in Educational Administration from the University of Colorado. He was the high school principal at Elmore, Minnesota, before coming to Radcliffe.

By the unceasing efforts of Mr. Groskreutz working on Title I with Mr. Mabie, the Radcliffe School has initiated a three-year plan for a complete course and well-equipped industrial arts department.

His office is open for any student or faculty member for advice or problem discussion. Mr. Groskreutz's main objective is educational improvement in the school.

Mr. Groskreutz's wife, Irene, teaches one of the fifth grades. A son, Jeffrey, a fifth grader, completes the family circle.

All Hail the Power of Jesus Name
